Dear Residents, Families and Friends,

November is a month of reflection, creativity, and anticipation. As we honour our veterans and their sacrifices, we also celebrate the artistic talents of our residents and begin preparing for the festive season ahead. It's time to come together, share stories, and create new memories. Thank you for making Meaford Long Term Care a place of warmth, dignity, and joy.

Stay Well

Happy Fall!

The Fall months are here and with that, Meaford Long Term care is working diligently at keeping our residents healthy as we also enter Respiratory Season! Fall vaccines are available for both residents and staff. This includes, COVID vaccine and the annual flu vaccine. As always, I encourage the practice of hand hygiene and please do not visit if you are ill. Please see the IPAC information board posted in the hallway at the main floor service elevator. This will be updated monthly with any information or changes related to IPAC practices in the home provided by the ministry as well, vaccine stats, outbreak summaries, and upcoming events. –Brock Wilkins, RPN, IPAC Coordinator

Resident influenza vaccinations 73/128 (57%)

Staff influenza vaccinations 76/171 (44%)

Resident COVID-19 vaccinations 39/128 (30%)

October 8th-16th we had an outbreak with no identified illness, affecting BJW and THT. 3 residents on BJW and 2 on THT were symptomatic. All teams did an excellent job reducing the spread of illness.

Art Show with Carolyn Wednesday November 19 2pm to 4pm
