From the Office of the Executive Director: A New Year Together

As we welcome the beginning of a new year, I want to take a moment to reflect on the strength, compassion, and teamwork that continue to define our community.

To start the month on a positive note, I'm pleased to share how successful our recent Lost and Found initiative has been. Thanks to the collective efforts of staff and families, many residents have been reunited with misplaced clothing and personal items. These belongings may seem small, but we know how meaningful they are to comfort, dignity, and a sense of home. Thank you to everyone who helped make this initiative such a success. A quick reminder to please remember to mark the name of your loved one on any items that you are dropping off.

I would also like to sincerely thank our residents, families, and staff for your patience, understanding, and cooperation during our recent COVID-19 outbreak. These periods are never easy, and your support has played a critical role in keeping one another safe. As we move through the winter months, I kindly remind families and visitors to please refrain from visiting if you are feeling unwell. This small but important step helps us protect our residents, staff, and the broader community.

Looking ahead to the New Year, we do so with hope and optimism. We are excited to continue building meaningful connections, enhancing resident experiences, and supporting one another through both challenges and celebrations. A new year brings new opportunities for joy, growth, and moments that matter—and we look forward to sharing them together.

Thank you for being part of our community. On behalf of the entire leadership team, I wish you and your loved ones a healthy, peaceful, and fulfilling New Year.

Warm regards,
Kristine Mitchell
Executive Director

Resident & Family Councils Corner

Our next Resident Council meeting will be taking place on January 15th @ 1:30PM in GLDR.

DID YOU KNOW????

A long-term care family council is a self-led, autonomous council, that consists of a structured board; led by a Chair, Co-Chair, & Secretary? Meetings are once per month and consist of a consistent group of family members interested in advocating for all residents here in the home. The council is looking for new members to join! Please note, a family council is not a drop-in meeting, all interested members must complete the necessary steps and paperwork to join.

We're Looking for a Family Council Secretary

Our Family Council is seeking a caring, organized individual to take on the role of Secretary. This volunteer position is essential to helping our council run smoothly and stay connected. Responsibilities include taking meeting minutes, helping keep records organized, and supporting communication with council members.

If you enjoy being part of a supportive team and want to make a meaningful difference for residents and families, we would love to have you join us.

If you're interested or would like more information, please reach out!
