A Message from Our General Manager

✿ February at Oakcrossing Retirement Living

As we step into February, the heart of winter continues—but so does the warmth of our Oakcrossing community. This month is all about connection, care, and looking out for one another, and we are excited for what lies ahead.

❤ A Month of Connection

February reminds us of the importance of relationships friendships, family, and the everyday moments we share here at Oakcrossing. From cozy socials to engaging programs, there are plenty of opportunities to connect, laugh, and enjoy time together. Be sure to keep an eye on the February calendar so you don't miss out!

🏡 A Growing Community

We are happy to welcome several new residents who have joined us recently, with more expected throughout February. If you see a new face, please join us in offering a warm hello and helping them feel at home. We have our open house Wednesday Feb 25th from 10-7pm.

🎉 Programs & Activities

Our Lifestyle team has planned a variety of activities this month designed to keep minds active, spirits lifted, and days meaningful. Whether you enjoy games, music, fitness, or small-group socials, there's something for everyone. Participation is always encouraged, but most importantly do what feels right for you.

❤ Health & Wellness Reminder

As cold and flu season continues, we kindly ask everyone to remain mindful of their health. If you or your visitors are feeling unwell, please take the time to rest and recover before coming into the home. These small actions help us maintain a healthy, open, and happy community for all. Outbreaks are rampant across the city. We have increased our high traffic area cleaning, and we need your help to sanitize and wash your hands frequently to ensure we stay healthy and open.

❄️ Looking Ahead

Even in the heart of winter, there is so much to look forward to. February is another step toward brighter days, new memories, and continued growth at Oakcrossing.

Thank you for being part of what makes this community so special. We are grateful for each and every one of you.

Warm regards,

Heather
General Manager

IPAC Corner

Older adults are at a higher risk for complications from Influenza, RSV and COVID infections. This is why it is extremely important for everyone to be protected from seasonal infections. Washing hands often with soap and water or alcohol-based hand sanitizer is another great way to ensure we are staying safe against harmful bacteria and viruses. Masking in the home, coughing and sneezing into tissues or your sleeve are also ways to prevent the spread of infection in our home. Keep up to date with all things IPAC in the newsletters and in the home!

Birthdays

February 1st - Don M.
February 4th - Jean I.
February 5th - Gord H.
February 6th - Barb C.
February 11th - Katy Y.
February 12th - Florence B.
February 13th - Illa R.
February 19th - Melita S.
February 19th - Janet L.
February 20th - Rita S.
February 27th - Isabell W.
