#### **Earth Day Celebration**

Let's honor our beautiful planet together! We'll be making Bird Feeders, planting flowers, creating simple eco-friendly crafts, and learning small ways we can help care for the Earth every day.

#### **Music All Month Long!**

April will be filled with the sounds of music throughout our home! From live performances and sing-alongs to relaxing background melodies, there will be something for everyone to enjoy.

We look forward to sharing these special moments with you. Thank you for being part of our community!

#### **Reminders:**

Family and friends are kindly asked to notify a staff member if a resident would like to leave the building, as some residents may require assistance when going outside.
