Message from Nursing Department

Delhi peopleCare is excited to share that our home is part of select group of long-term care homes across Canada that met the national target for appropriate use of antipsychotics. The Appropriate Use Coalition certified our home and presented us with a certificate. This is an achievement that the home is very happy to share and celebrate. Our Medical Team should be recognized for playing a huge part in maintaining this target.

Our nursing team continues to focus on:

Resident comfort and dignity

Fall prevention and safety

Hydration during warmer weather (heat risk assessments completed on all residents)

Reach out to Nursing Management, Stephanie Jones Director of Care, Stephanie Donohue Assistance Director of Care or Christa VanDyk IPAC Manager if you have any questions for nursing.

We wish everyone a safe, happy, and enjoyable June!

Resident & Family Corner

Our next Resident Council meeting will be taking place on June 22nd @ 10:15AM in HWDR.

DID YOU KNOW????

A long-term care family council is a self-led, autonomous council, that consists of a structured board; led by a Chair, Co-Chair, & Secretary? Meetings are once per month and consist of a consistent group of family members interested in advocating for all residents here in the home. The council is looking for new members to join! Please note, a family council is not a drop-in meeting, all interested members must complete the necessary steps and paperwork to join.

We are also excited to share the results of the recent council elections:

- **Theresa Holmes** has been voted in as the new Chair of Family Council. Thank you, Theresa, for your willingness to step up and lead the council forward.
 - **Susan Benin** has been voted in as Co-Chair. Welcome, Susan – your initiative and involvement do not go unnoticed.
 - **Corrine Murray** will continue in the role of Secretary. Thank you, Corrine, for all that you do and for the ongoing dedication and support you show to both the council and our residents.
- We look forward to continuing to strengthen Family Council together and appreciate everyone's involvement and support.

***Questions?? Please reach out to Crystal Thompson, Resident and Family Coordinator

Please Note: Crystal has moved offices and is now located at the end of Gold Leaf Walk Hallway.

Palliative Corner

Dear Families,

The Delhi Long-Term Care Palliative Team is pleased to announce our Maple Syrup Fundraiser, taking place now through June 19, 2026.

This fundraiser will support two meaningful initiatives within our home:

Enhancing and supporting our Palliative Care Program, helping us continue to provide comfort, dignity, and compassionate care to residents and families during end-of-life journeys.

Raising funds toward the purchase and installation of a new flagpole and flag on the home property, creating a lasting symbol of pride, remembrance, and community for all who call Delhi Long-Term Care home.

We invite families, friends, staff, and community members to support this initiative by purchasing delicious, locally produced maple syrup from Murray's Maple Products.

Order Deadline: Friday, June 19, 2026
