

Welcome Home!

Tillsonburg Long-Term Care

Opening in August 2026, we look forward to welcoming you to a bright, modern 160-bed home. Residents will enjoy dining, lounge, and recreation spaces built for connection and comfort, along with compassionate care and support from **a dedicated team**.

Life at Tillsonburg LTC

Our beautiful new Tillsonburg LTC home includes **five 32-person** resident home areas, each named as a nod to the local community where so many seniors have lived their lives.

Residents can choose between private and basic accommodation in tastefully decorated and **furnished rooms**, and are warmly encouraged to personalize their space with favourite belongings and furniture that fit comfortably in the room.

The home also features spacious lounges for visiting with family and friends, a café/bistro in the main reception area, a multi-purpose spiritual and event space, and the **Gingerich Family Stayover Suite** for loved ones visiting from out of town.

Residents will also enjoy **access to terraces** and a beautiful **enclosed courtyard** that provides safe outdoor space for relaxation and activity. Daily recreation and social programming will offer opportunities for connection, engagement, and enjoyment in both small and large group settings.

What will my new room look like?

Private Room

Basic Room

Room assignments are guided by eligibility requirements, funding arrangements, and room availability at the time of admission. While every effort is made to consider individual preferences, accommodation types cannot always be guaranteed.

What will my new room include?

Every private and basic room will include:

Bed | Wardrobe | Chair | TV wall mount location | Bedside table with a lock

Residents will also have drawers in the bathroom for their personal belongings.

Fully decorated room in a peopleCare LTC home, overlooking the beautiful landscaped courtyard.

Personalize Your Space!

We warmly encourage residents to add their own **personal touch** to their rooms by decorating with cherished items and any favourite pieces of furniture that can be safely accommodated.

Please note the pictures above are intended to give an idea of the rooms' spacing, furniture and lighting in peopleCare homes and may not be representative of every suite. *All of our room areas exceed Ministry of LTC size requirements.*
