A Heartfelt Thank You

 A FAREWELL MESSAGE FROM CRYSTAL THOMPSON 

As many of you know, I will soon be transitioning to a new role within peopleCare. As I prepare for this next chapter, I wanted to take a moment to express my sincere gratitude to the residents, families, and team members who have made my time at Delhi Long-Term Care so meaningful.

When I joined Delhi in January 2025, I could never have imagined the incredible journey that lay ahead. Together, we opened a brand-new home, welcomed many new residents and families, celebrated milestones, navigated challenges, shared laughter, shed tears, and built a community rooted in connection, compassion, and care.

To our residents:

thank you for welcoming me into your lives. Thank you for sharing your stories, wisdom, humor, and life experiences with me. It has been an honor to walk alongside you during both joyful moments and difficult ones. You have taught me lessons about resilience, courage, gratitude, and what truly matters in life. I will carry those lessons with me always.

To our families:

thank you for your trust. Thank you for allowing me to support you during admissions, care conferences, celebrations, transitions, and moments of uncertainty. Being invited into such important moments in your lives has been a privilege I will never take for granted.

To our Family Council members and volunteers:

thank you for your dedication, advocacy, and commitment to making our home the best it can be. The partnerships we have built together have strengthened our community and enhanced the lives of those who call Delhi home.

And to the incredible Delhi team:

thank you for your hard work, compassion, and unwavering commitment to resident-centered care. It has been a privilege to work alongside such dedicated individuals.

Delhi Long-Term Care has been more than a workplace—it has been a community, a place of growth, and a place filled with extraordinary people.

Thank you for allowing me to be a small part of your stories. The memories, relationships, and experiences we have shared will stay with me forever.

“

*Although I
may be moving
into a new role,
a piece of my
heart will
always remain
here.*
