Executive Director's Message

Dear Residents and Families,

I hope everyone has been enjoying the beautiful summer weather. It's hard to believe that August is already here! The summer always seems to fly by, and while we've all been busy, it has been wonderful to see residents enjoying time outdoors, participating in activities, and spending time with family and friends.

I would like to take this opportunity to welcome two new members of our leadership team. Please join me in welcoming **Leia DeKoning**, who has joined Delhi Long-Term Care as our **Resident and Family Coordinator**. Leia will be working closely with residents and families to support communication, engagement, and overall resident experience. We are excited to have her as part of our team and know she will be a wonderful resource for our home.

I would also like to welcome **Amritpal Kaur**, who has recently joined us as our second **Assistant Director of Care**. As our home continues to grow, having an additional clinical leader will strengthen our ability to support our residents, staff, and families. Amritpal has been settling into her new role, and we are pleased to have her on our leadership team.

Many of you have been asking about the new resident smoking area. We continue to work closely with **Norfolk County** to complete the remaining items required for the final occupancy sign-off of our new building. Once these outstanding items have been addressed and the building receives its final sign-off, we will be able to move forward with constructing the new smoking structure. We appreciate your patience and understanding as we work through the final stages of this process.

As always, thank you for your continued support, kindness, and trust. It is a privilege to care for your loved ones, and I continue to be inspired each day by our residents, families, volunteers, and dedicated staff who make Delhi Long-Term Care such a special place to call home.

I hope you continue to enjoy the remainder of the summer, and I look forward to seeing many of you around the home in the weeks ahead.

Warm regards,
Kristine Mitchell
Executive Director
peopleCare Delhi Long-Term Care

DOC message:

The nursing department is pleased to inform the Residents and their loved ones that Amritpal Kaur has taken a temporary Assistant Director of Care position within the home. This will compliment nicely with our other Assistant Director of Care Stephanie Donohue. Amritpal will oversee the Quance Lane and Sandy Fields home areas while Stephanie will oversee Harvest Way and Gold Leaf Walk home areas.

The added Assistant Director of Care will support the delivery of safe, high-quality resident care. Assist with the daily clinical operations and nursing staff. Please join us in welcoming Amritpal to this position. Amrit's knowledge, leadership and commitment to quality care will be valuable asset to our home.

Sincerely,

***Stephanie Jones
Director of Care***

Message from the Director of Food Services

Share Your Family's Favourite Recipe! We invite resident families to send in a cherished family favourite recipe that reflects your traditions, memories, or cultural background. Each month, our Food Services team at Delhi Long Term Care will choose one submitted recipe to recreate and share with residents as a special way to celebrate the many cultures, stories, and flavours that make our home so meaningful. Please include the recipe name, ingredients, preparation instructions, and a short note about what makes it special to your family. We look forward to honouring our residents and families—one delicious recipe at a time! Please send your recipes/Stories to Chris at cmecke@peoplecare.ca

Welcome Home

In astrology, those born between August 1 and 22 are Leo's Lions. Mixing strength, ambition, creativity, and a flair for the dramatic, it is no wonder that the king of the jungle is Leo's mascot. Whether it's in Hollywood or in the home, Leos accomplish their goals.

Those born between August 23 and 31 are Virgos. Virginal Virgos are considered shy, pure of spirit, and self-sufficient. They take incredible pride in their work, show diligent habits, and are well respected in their circles.
