LTC Community Engagement Day

On **September 18**, long-term care homes across the province are hosting their Third LTC Community Engagement Day for their local elected officials and other community partners. Starting at **9:45 a.m.**, we'll provide a brief update on our home and the care provided. Having volunteers to assist with portering our residents through our beautiful town to the water is a wonderful way to show how our community comes together. If you can assist with walking with our residents, please contact Wendi at 519- 538-1010 ext.404 or wcochrane@peoplecare.ca
