August welcomed our first residents to Tillsonburg LTC

August was a very exciting and busy month! We began by welcoming our new team members and providing several education and training days to help prepare them for the arrival of our first residents. We also hosted three successful open houses, welcoming community members, neighbours and potential families to see our home. Now that the residents have started to arrive, we are excited for the smiles, the stories and the moments that make our place feel like home.

On August 17th, we welcomed Marcel, our very first resident.

Meet Evan

We are very fortunate to have Evan as our Resident & Family Experience Volunteer! Evan plays a special role in helping residents and families feel welcomed, comfortable, and connected within our home. Whether he is greeting families, helping with tours, or offering a friendly smile and conversation, Evan brings kindness, enthusiasm, and a genuine desire to help others. We are so grateful to have him as part of our Tillsonburg team and look forward to seeing him continue to grow and shine in his role!
