November 26: Entertainment with Peter Maranji

Save the date: Christmas Open House for Residents and Families- Saturday December 19th from 2-4pm

Life at PeopleCare: Our October Recap

As the fall season arrived, our residents were busy embracing all things Thanksgiving and Halloween! From festive crafts and seasonal treats to creating a Thankful tree, there were plenty of opportunities to get creative and reflect on the things we are grateful for. A warm welcome to all the residents who joined our peopleCare family in October! We look forward to creating new friendships together.

Violet and her daughter show off their creativity.

Norma is channeling her inner Harry Potter.

Katy and her son enjoying their ghost on a stick.

Norm prepping for Thanksgiving.

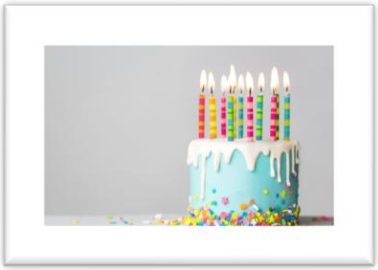

Taking time to remember the little things in life and sharing what we are grateful for.

All ready for Trick or Treaters.

Celebrations

Happy Birthday to our November Birthdays:

Betty C- November 5 Sam B- November 5

Mary V- November 9 Marcell M- November 10

Marlene M- November 12 David S- November 17

Join us in celebrating our November birthdays on Tuesday November 17 at 2pm in the Chapel. The Garage Guys are entertaining. **Families are welcome!**

We are pleased to officially announce that our Family Council has been established at peopleCare Tillsonburg!
This is an exciting milestone for our home, and we want to thank everyone who participated in the discussions and helped make this possible.

Our Family Council provides an important opportunity for residents' families and loved ones to come together, share experiences, raise questions, exchange ideas, and work collaboratively toward enhancing the quality of life and care within our home. Family Councils play an important role in long-term care. They provide a supportive space for family voices to be heard, encourage open communication, promote advocacy, and help strengthen the partnership between families and the home.

We are pleased to introduce our newly established Family Council Executive:

Chair: Lori Hartley
Co-Chair: Sue Evans
Secretary: Faye Brekelmans
Family Council Assistant: Crystal Thompson, Resident & Family Coordinator

Our Family Council Is Established – But We Still Need YOU! While we are excited to have our Family Council Executive team in place, this is just the beginning! An established Family Council does not mean a closed Family Council. We are actively looking for additional family members and loved ones who would like to become involved. The Chair, Co-Chair and Secretary help provide leadership and organization for the Council, but the heart of the Council is its members. You do not need to hold a formal position or have a specific area of expertise to participate. Your experiences, perspectives, questions, ideas, and voices are all valuable.

Whether you can attend every meeting or only participate occasionally, we welcome you. Our goal is to create an inclusive, collaborative space where families feel comfortable connecting, contributing, and advocating together.

For more information about joining the Family Council, please connect with Crystal at 519-544-0702 ext. 51814 or cthompson@peoplecare.ca

Updates & Reminders

- **Clothing Drop off Process**: if you are bringing in clothes for your loved one, we want to ensure they are labelled before going up to the home area. Outside the main floor elevator, you will find a black box. Please fill out the clothing form with a list of items and resident name, put all items in the provided plastic bag and put in the box. It will be taken to laundry, labelled and then returned to the resident.

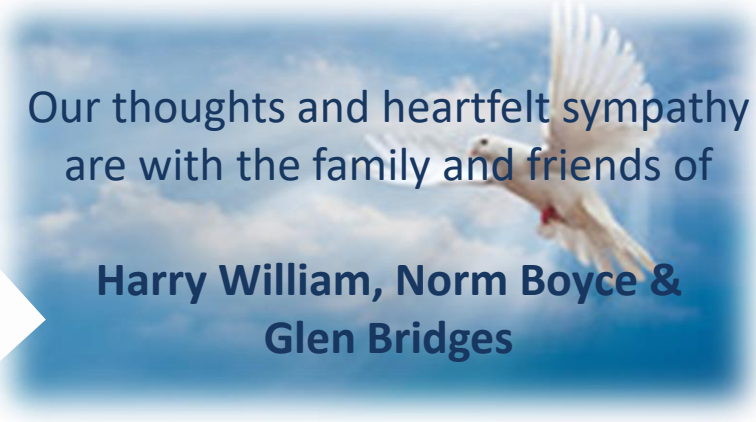

- **Guest Meals Tickets** are $8 for lunch and $10 for supper; they can be purchased at reception or business office (cash only, exact change will be appreciated); they must be purchased prior to the meal; please ensure that you call the home prior to 10am to advise that you will be staying for meal and provide the meal ticket to the PSW.

- **Trust Accounts:** if a haircare consent form has been submitted, please ensure that funds are available in the resident's trust account.

- **Specs Boutique** provides mobile services to our home. Their next visit will probably be in January. To sign up for this service, please see reception or pick up a registration form outside the main floor elevators.

We are looking for the old-style string of Christmas lights and bulbs. They do not have to work. Please bring to Deb, program manager. Thank you!
